

I am writing to protest Sinclair Broadcasting's decision to force their stations to air a biased documentary of Senator Kerry days before the election. This is unethical and unAmerican.

Sinclair is allowed to use public airwaves free of charge, and is obligated by law to serve the public interest. This is not appropriate and allows a large company to take away what's important - the ability to see real people from our own communities and more substantive news about issues that matter.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
